

HAVS STROKE RESEARCH PROJECT

The main aims of the project are:

- Researching up to date information of provision for stroke survivors and their carers in Harrow.
- Organising focus groups for stroke survivors and their carers.
- Providing networking opportunities for clients.

Do you provide services for Harrow stroke survivors and/or their carers or know anyone who does?

Are you a stroke survivor or carer who needs up to date information about services that are currently provided in Harrow for stroke survivors and/or their carers?

Are you a stroke survivor or carer who would like to share your information and/or support needs?

If the answer is yes to any of the questions above we would like to hear from you.
